

6x6 No Scraps Sketch Set #1 by Bourbon Creek Crafts

This is a cutting guide for **one 6x6 inch sheet of paper** and a coordinating sketch that allows you to **make one A2 sized card for each sheet you cut.**

Note: You can cut more than 1 sheet of paper with this guide and then mix and match the pieces on your card. Or you can use a double sided paper and mix and match sides.

The shades of gray on the cutting guide match the coordinating shades of gray on the card sketch pieces.
