***Cut 1 sheet 8.5x11 patterned paper**

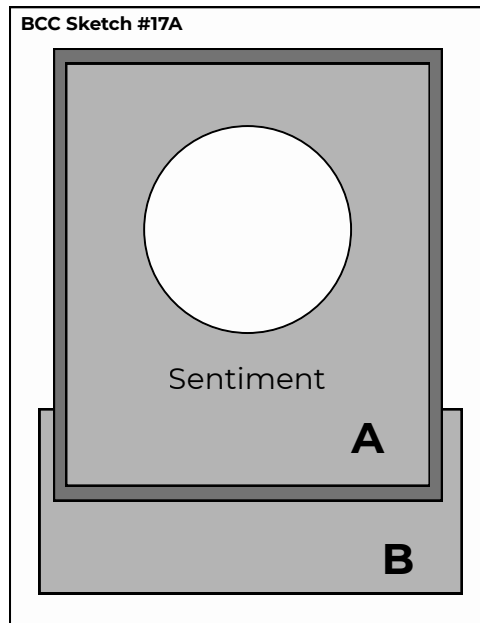

Notes:

- Extra pieces of patterned paper can be used on the inside of your card, on the inside of your post it pads or to help decorate the front of your post it pads (works great if paper is reversible)
- If making a 5x7 card, the extra patterned paper pieces could be used to fill in white space on the front of the card

Instructions for Bookmarks:

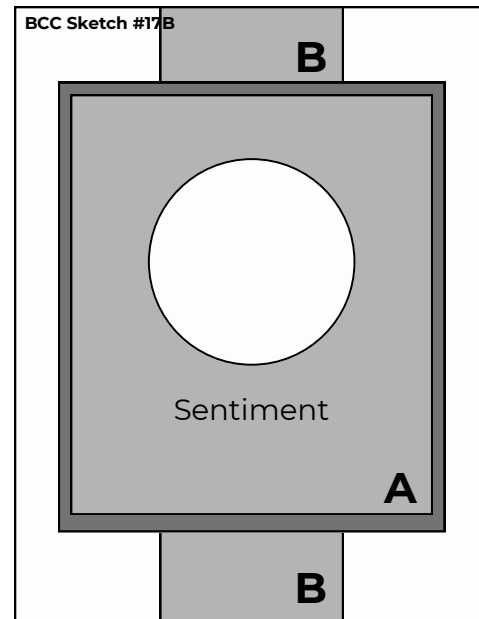

- Cut cardstock and patterned paper according to cutting guide.
- Adhere Bookmark patterned paper pieces to Bookmark cardstock pieces.
- If desired, punch small hole in top of bookmark and add tassel of choice.

Sketch Option A

**Make 1
card -
choose
sketch
A or B**

Sketch Option B

Card Notes:

- Use the coordinating pieces from the cutting guides labeled Card Panels
- For Option B, cut 1 5/8 x 3 3/4" piece in half and line up behind larger panel so it looks like it goes all the way across the card.
- Use any shape in place of circle embellishment
- Use large sentiment in place of embellishment
- Add additional embellishments if desired
- Either sketch option can be used with an A2 or 5x7 size card

Instructions for Post it Pads:

- Cut post it pad bases from card stock following the cardstock cutting guide.
- Score according to score lines listed on cutting guide.
- Cut patterned paper pieces following the patterned paper cutting guide.
- For the 3 inch post it pad holder, adhere 1 3x3" patterned paper piece to both the larger outer panels of the cardstock base. Adhere the skinny strip to the middle spine of the base. Decorate post it holder as desired. Adhere post it pad to the inside of the cardstock holder.
- For the mini post it holder, adhere the 1 3/8 x 2 1/8" A piece of patterned paper to the outside middle part of the cardstock base holder A (will be the back side). Adhere the 1 1/2 x 2 1/8" B patterned paper piece to the outer larger end B (will be the front outer cover). Adhere the 1 x 2 1/8" patterned paper piece C to the outer smaller end C (will be the front cover). Decorate post it holder as desired. Add closure (velcro, snap, etc) to the under side of B and attach to the outer side of C.
